The settlement has been approved by the Superior Court of Quebec on **May 11, 2021** and requires Apple Canada Inc. and Apple Inc. (collectively, "Apple") to compensate affected clients (the "Class Members"). The settlement is not an admission of liability, wrongdoing or fault.

HOW TO RECEIVE YOUR SHARE OF THE SETTLEMENT FUNDS

The Direct Group is comprised of individuals associated with 15,936 Devices, which Apple has identified from its records as either having received service from Apple for a graphics issue (the Service Group), or about which Apple was contacted for an alleged graphics issue but for which no service was obtained (the Complaint Group).

If you are a member of the Direct Group, you should receive a separate notice by email confirming that you are a member of the Direct Group and you will receive a payment of up to \$175.00 per Device.

The separate notice to Direct Group members will also provide detailed instructions on how to make an additional reimbursement claim if the class member also paid for repairs to their Device to fix a graphics issue, but did not receive a reimbursement from Apple.

Claims-Based Group

If you are not a member of the Direct Group, then you may be a member of the Claims-Based Group and you may have a right to file a claim if you experienced a graphics issue with your Device prior to January 1, 2017. You should receive a separate notice by email providing you with detailed instructions on how to make a claim.
